Dear JULIE D'AGOSTINO:

Congratulations! It is the decision of the Women's Business Enterprise Council Metro NY to grant WOSB certification to JMD Building Products, LLC DBA Julie D'Agostino. You may now log into WBENCLink to download a copy of your new WOSB certificate using the directions below.

To download your WBENC WOSB certificate:

- On the left navigation menu, click View >> My Certifications
- Under the "Current Certifications" section, click on "View" next to the Women-Owned Small Business (WOSB) certification
- Click "View as PDF" at the bottom of the page under the "Letters & Certificates" section

In addition to being granted WOSB certification by WBENC, you must take the following SBA required steps to participate in the WOSB Federal Contracting (Set Aside) Program. [Click here](#) to determine if you are eligible for the program and need to proceed with the steps below. If the company is eligible for the program, please follow the steps below.

a. **New WOSB Applicants**

iii. Once your certification is confirmed, you will receive a formal confirmation from the SBA.

iv. **Returning WOSB Applicants**

i. Companies granted the WOSB Certification through WBENC will also have to create an account at <https://certifications.sba.gov/> to provide the most recent WOSB certificate issued before the SBA WOSB Regulation Expiration date listed on the WOSB Certificate.

ii. This process should be completed within 60 days of the company's SBA WOSB Regulation Expiration date.

NOTE: The expiration date on your WOSB certificate corresponds to the expiration date on your current WBENC WBE certificate. To ensure that both remain current in WBENCLink, please submit your recertification application for both certificates no less than ninety (90) days prior to the expiration date.

The SBA grants a three-year WOSB certification. Please ensure you are following the steps that apply, either as a New or Returning WOSB Applicant.
